

Miss Anna M. Weston

Hargov 15<sup>th</sup> Nov 1850

Boston

Dear Madam

I forwarded to Liverpool on  
the 12<sup>th</sup> inst, one Box sent to my care from Jane Wigham  
Edinburgh, to be shipped for you by the Steamer  
which sails for Boston tomorrow, & which I hope will  
reach you safe - it is addressed in full with your  
name, 21 Cornhill Boston, for convenience of Customs  
entry it is marked £1/- as Milleday  
value £40 - Mrs Wigham will no doubt have  
written you with a list of the contents, leaving advised  
me so - in the acknowledgement of the receipt of  
this Box in the Liberator & Bazaar Gazette, please  
be particular to mark it as sent by Jane Wigham  
Edinburgh, that to mention my name regarding it,  
will prevent any misapprehension, as to the sender.

It has been found impossible to send off the  
Box from Glasgow until the Steamer from Liverpool on  
the 30<sup>th</sup> when it will be sent - my Sister cannot  
as yet say what may be the value, but that it will  
be pretty fair, partly much same description as  
formerly, tho' it has been considerably injured  
by partizans who have ~~try~~ set up a new female  
Anti Slavery Society here on acct of the want of  
orthodoxy in our American friends, they endeavoured  
to withdraw contributions - in this they have been  
assisted by a coloured man named Dr Huntington,  
who is said to be a Minister of a Presbyterian  
Church at New York, they suggested the New  
York Vigilance Committee as the proper party  
to be supported. I intend writing Mr Garrison  
about this affair; My Sister desired to be remembered

to yourself, Mr Garrison & other friends

Samuel Burdett

Your very truly
